

In Social Circles.

Griffin-Dick.
A very pretty but quiet home wedding was that of Miss Martha Griffin, daughter of Mr. and Mrs. George T. Griffin, and Paul Dick son of Mr. and Mrs. James Dick which was solemnized last evening at the home of the bride on Cedar avenue in the presence of the members of the two families and a few near friends. The impressive ring ceremony was performed by Rev. Atkinson of Baltimore. The bride was unattended and wore a becoming blue traveling suit. Following the ceremony a handsomely appointed luncheon was served, after which Mr. Dick and his bride left for Cleveland, O., where they will visit the bride's brother, John Griffin, a former Connellsville boy.

The bride is very popular in social circles and her many friends extend to her their best wishes for a happy future. The groom is also well known in Connellsville and is a brother of Mrs. J. F. Keri, wife of Dr. Keri. On their return from their honeymoon they will go to Philadelphia where Mr. Dick will resume his studies at the Medical College of Pennsylvania. The out of town guests present were Mr. and Mrs. Isaac Taylor and Miss John T. Byers of Uniontown.

A large bouquet of fall flowers formed the attractive centerpiece. Covers were laid for Mr. and Mrs. Huston, Mr. and Mrs. C. S. Freed of Dunbar township, Miss James Ross, Mrs. Angeline Schellenberger, Mrs. Elizabeth Martin and Charles Martin, all of Vanderbilt. MEYERSDALE WOMEN AT BURLESQUE SHOW

Members of Temperance Society Attend "Giddy" Performance.

THEY SAW "SALOME DANCE."

It Was Not for Pleasure They Visited the Theatre, However, But Came to Pass Upon Charity of Production and See What Attracted Men.

SOMERSET, Pa., Sept. 29.—In Meyersdale, the metropolis of Somerset county, there are the big shows in the theatre world. George Donges, a well known Meyersdale business man constructed a theatre last year, and about three times a week this season he has been exhibiting attractions from the burlesque, wheels enormous crowds rewarded Mr. Donges' efforts to provide amusement for the male population of Meyersdale.

Now Meyersdale supports a particularly strong and active Christian Temperance Union which meets, some people say, three times a day after meals and discusses current events. It is said that even Mr. Roosevelt could not possibly touch upon so many widely different subjects as this Union debates upon at its meetings. Among the subjects which came up for discussion was the fact that the male population of Meyersdale were spending about a dollar and a half a week, and several evenings out and that they spent their time at the Donges theatre.

"Those shows are simply horrid," said one member of the Union. "I saw the posters advertising one of the shows." The matter was discussed and, and finally it was decided to appoint a committee to descend upon the Donges theatre and report upon the class of attractions produced in that house.

The next show was an unusually girly show. The house was filled with masculine individuals. Henry old gray-beards who had been bedfast for years turned out and occupied seats in the first row. Ladies ranging in ages from 85 to 6 years were present. Just as the lights were about to be turned low and the curtain rung up the sound of laughter in the rear of the house caused everyone to look in that direction. The manager of the theatre was escorting six ladies of the town to seats in the center aisle well in front of the house. After some little kidding on the part of the boys in the gallery, the committee seceded themselves comfortably and commenced making a mental list of the men and boys who were present. This is the only drawback to the presence of the committee.

At their next gathering studied publicity was given as to the identity of the men and boys in attendance on the burlesque shows. At present it is her sisters and "The Only Original Salome" was discussed and discussed by the Temperance Union. Columns of dope" appeared in the official publication of the W. O. T. U. The result has been that the burlesque shows have been so well advertised gratuitously, too, by the W. O. T. U. that the "Standing Room Only" sign was hanging at the door of the theatre ten minutes after the doors opened. This week "The Monte Carlo Girls" will be the attraction at the Donges theatre and the delegation will attend and make up their report on the show and their list of "among those present at this delightful function."

SHORTAGE OF SEAM NOT ADEQUATE DEFENSE

Coal Company is Forced to Accept Deed of Property at Boswell.

SOMERSET, Pa., Sept. 29.—In an opinion handed down yesterday Judge Francis J. Kooser, in the case of Mary E. Swentzel against the Merchants' Coal Company, operating at Boswell, holds that the transfer of mineral lands when a contract is entered into for the sale of all the seams under the surface, a shortage of coal of one seam is not an adequate defense for non-acceptance of a deed for the entire property.

The court decrees that the rule for judgment for want of a sufficient affidavit of defense be made absolute. Mary E. Swentzel in 1933 instituted an action in assumpsit against the Merchants' Coal Company to recover \$22,214.35, with interest from April 29, 1933. In her statement she alleged that on that date she entered into a written contract with the defendant company for the sale of all the coal in "B" and "C" seams underlying a tract of land in Jenner township, containing 206.7 acres, at \$210 an acre. She averred that on July 20, 1933, she tendered the company a deed for the tract and demanded one-third of the purchase money and the delivery to her of bond and mortgage of the Merchants' Coal Company to secure the payment of the remainder. The defendant, it was averred, refused to accept the deed.

\$3.50 and \$5.00 Hats Without Equal

In order to win popularity for our new Ready-to-Wear Millinery Department from the very start, we are offering a special line of \$3.50 and \$5.00 Hats which cannot be equalled in style, beauty and value for less than twice our prices.

That is a strong statement, but the Hats are here to back it up, and we invite you to inspect and compare them.

Hats Worth \$7.00 at \$3.50

A comparison will convince you that our special line of Hats at \$3.50 include styles and qualities which you cannot duplicate elsewhere for less than \$7.00. They have a style and exclusiveness that would never be associated with the special price we ask for them, and the woman who wears one of these hats will look as if she paid much more than \$3.50 for it.

All shapes, color and trimming effects in the assortment.

\$10.00 Hats at \$5.00

Because we offer these hats at \$5.00 does not mean that they are regular \$5.00 values. No indeed! They are worth every cent of \$10.00 and will not suffer by comparison with any \$10.00 hat you can find at other stores.

Styles for every kind of wear—shapes and colors the newest of the new—and the variety is so great that no woman can fail to find exactly her style in the assortment.

See them. That's all we ask.

The deed from Jacob S. Loucks for the acre of ground in the Third ward, which will be used as a site for a new high school building was received and referred to the attorney. The high school building was discussed a little and Dr. O. I. Hess, the secretary, said this morning that the matter will be the subject of a special meeting which will likely be called soon. It is not known as yet what may be accomplished in this line during the present year, but the need of a building is apparent. Rules governing the janitors in their work and their relation to the Board and Principal were adopted at the meeting, which was attended by all but three of the members.

To Pay the Taxes.
Those who desire tax receipts good for the November election should be careful not to neglect their tax payment, Saturday, October 3, is the last day these taxes may be paid to get a vote in the Presidential election. S. McMillan, the tax collector of Scottsdale borough, and John K. Fox, of Mt. Pleasant, the collector for East Huntingdon township, are both receiving quite a good deal of taxes the last few days.

These meetings will be held at the First Methodist Episcopal church and the First United Brethren church. C. W. Carroll of Pittsburgh, District Superintendent of the Pittsburgh District of the Anti-Saloon League, will speak at both meetings, as will Rev. H. W. Miller, pastor of the United Presbyterian church, and County President Most of the churches will have no services that evening on account of the general rallies.

Organization Effected.
The Republican County Committee of the town met at the Borough building on Monday night, with nearly all members present and made a permanent organization, and will now begin the active work of the campaign. Hon. W. Newton Porter was elected chairman; Robert H. Camlin, secretary; R. Lee Sherman, treasurer, and H. B. Lee of the First ward; George H. Lockard of the Second ward; J. W. Plattsburgh of the Third ward; and William H. Brown of the Fourth ward, finance committee.

Meeting at Everson Tonight.
Tonight is the occasion of the opening rally of the Republicans which will be held at Everson under the auspices of the Fayette County Republican Club. Engineers Devising Scheme to Irrigate Arid Land.
ALBUQUERQUE, N. M., Sept. 29.—The sixteenth annual session of the National Irrigation Congress began here today. Not since the beginning of the movement looking toward government aid in a vast scheme of irrigating the arid West has so much interest been taken in the meetings of the irrigation Congress, and during the five days' session irrigation and its kindred subjects, forestry and colonization, will not only be discussed but practical illustrations of what irrigation is doing for the West will be given.

The delegates will be taken to the great canyon, the Rio Grande, where the government has commenced the expenditure of over \$8,000,000 in the construction of the largest reservoir for irrigating purposes in the world, and to the Hondo and Gila projects in the Pecos Valley, both completed and in operation, showing completely two of the most important irrigation enterprises in the territory.

Columbus, O., Sept. 29.—Four more shops of the Western Glass company will resume operations next Thursday. They have been shut down for several months. It is expected that every shop in the factory would be in active operation before the close of the present week. About 400 men are employed.

A SURGICAL OPERATION.

If there is any one thing that a woman dreads more than another it is a surgical operation.

We can state without fear of a contradiction that there are hundreds, yes, thousands, of operations performed upon women in our hospitals which are entirely unnecessary and many have been avoided by

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

For proof of this statement read the following letters.

Mrs. Barbara Case, of Kingman, Kansas, writes to Mrs. Pinkham: "For eight years I suffered from the most severe form of female troubles and was told the only operation was my only hope of recovery. I wrote Mrs. Pinkham for advice and took Lydia E. Pinkham's Vegetable Compound, and it has saved my life and made me a well woman."

Mrs. Arthur R. House, of Church Road, Morestown, N. J., writes: "I feel it is my duty to let people know what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered from female troubles, and last March my physician decided that an operation was necessary. My husband objected, and urged me to try Lydia E. Pinkham's Vegetable Compound, and to-day I am well and strong."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, and barrenness.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.
